Our local chapter of HOPE is helping to sponsor **The Human Race** event October 12th. It is a short 5K walk/run of which all of the proceeds that we raise will be donated to HOPE. Half of the money we raise will stay here in Jax to support our local programs, and the other half of the money we raise will be donated to help the orphans work that HOPE is doing in Africa. To really make this event a huge success, I need volunteers in the following areas:

- 1) To be a team leader – which consists of organizing a team of friends or co-workers to run/walk in the race, and ask for donations.
- 2) Runners or walkers that want to participate
- 3) Help in raising money for the race (i.e. asking friends, family, co-workers, etc.)
- 4) Volunteers for the day of the race to help out

If you have any questions or would like to volunteer, please email me at patricia.grooms@gmail.com.
