WHAT ARE YOU STRUGGLING WITH THIS WEEK?

This is a question Michael Black asked each of us to share as we went around the room. His challenge was for us to **constantly ask each other “What are you struggling with this week?”** This lets us know what exactly to pray for as we life one another in prayer each day. It also helps us form accountability partners within our fellowship that we need to help keep us on the right track.

ELDERSHIP & OUR PURPOSE

Titus ch.1

Titus was a young disciple in Crete. He tells in this chapter that elders hold a very important role in the ministry, even back in Titus’ time. Elders provide stability and uphold the proper teachings of scriptures. They helped calm down the charismatic evangelists of the time that taught rebellion and false teachings. It is their role to rebuke those teachings sharply, and in public if need be. They should be men who are loving, patient, caring, and have a firm grip on the scriptures. An elder was in every town to hold people accountable and to handle any situation or answer questions about God’s Word.

Titus Ch.2

We all have a role in the church! Older men/women, teacher the younger. Be filled with love and patience for one another. Let your heart and sense of caring follow your teachings. We must live appropriately of God’s character.

It’s great to evangelize, but make sure you guard your integrity. We want to make God’s Kingdom attractive.

I'm still trying to figure out exactly how I'll design everything so feedback is welcomed! I would love to receive any prayer request, or if any of you want to write an article or share a quiet time/scripture you have just e-mail it to me and I'll be more than happy to add it in the newsletter. Let's share what God has placed in hearts throughout the week. Why wait till Thursday night? (I've made a picture of myself for those who may not know who I am)
